

**Knowledge of God => the energy used to  
divide the Red Sea is coming again;  
bring water from desert rocks  
change water to fine wine  
herd fish into nets.**

Hopefully you will live through Armageddon and be [a survivor into God's New World](#) (Zephaniah 2:3) to live with our past relatives [now sleeping in death](#) (Rev. 20:13) with the thief Jesus said will be [resurrected](#) back to life there ("[you will be with me in Paradise](#)"). But to do that **you will have to have God's protective force surrounding you**, perhaps held in place over you like a shield and held there by an angel given the charge of protecting you.

**What sort of special force might this be?** It will likely be the same force that separated Red Sea waters so that they were divided apart and stood up to allow God's chosen people to pass, **a force that dried the ground instantly for all to walk across right away**. I told [how that force of God works previously in this page](#), 3rd large paragraph down => "Energy Truth" where I explained repulsion of Matter. Many of the Bible miracles were a repulsion of Matter achieved by increasing or decreasing the level and intensity of atomic repulsion of liquids. Here is the relevant text I refer to =>

"Energy Truth: Electrons all having the same electrical charge as the electrons in the atoms beside them, thus creating a Solid Matter-Equivalent Field imparting substance to all Matter including you, me and everything else tangible in the physical universe, keeping us from Matter collapse. So I'm not a physicist eh? I didn't come up with that Science-exploding insight 4 years ago by being chopped liver. **What insight?** That the electrons are traveling so fast they are **\*effectively everywhere\*** at the same time, surrounding the nucleus with a **"wall"**, that insight. You could call it the **Electrical Repulsion Omnipresence of all Matter**, EROM, or even Life Rom would be rather appropriate."

So neither did the wind nor even God's ru'ah (active force) dry the surface of the exposed Red Sea bottom's water-saturated mud. The mud's water molecules were repulsed out to either side with the rest of the water. [Jesus showed us](#) how this force worked many times when he reduced the repulsion of water so that it **could become fermented by airborne bacteria in the air to be quickly changed into a fine wine**.

Jesus showed us his control of this repulsion-changing force again when he walked on water, yet again when rebuking and calming the storm of its energy. Jesus the Saviour of believing mankind showed us how changing the water repulsion could herd many fish underwater into fishing nets til the nets ripped from their weight trying to get away from the "bad water". When Moses struck the desert rock for water no doubt water repulsion was increased, causing water to drill and cut its way upward from the desert's deep water table against gravity and up through the rock for God's chosen people Israel to enjoy a plentiful water source, being changed back to normal for drinking.

And He still loves the Israelites point of fact => [Jesus' heavenly kingdom government including many of their ancestors](#) (Rev. 20:6). Jesus never walked away from His heavenly Father's love for his people, never. They provided the lineage through which Jehovah worked His Plan to eradicate Satan and provide a legal basis allowing men and women to [regain the relationship lost by Adam and Eve](#) (gif). They were first given choice to be among the "first fruits" 144,000 priest class while the rest are extended the hope of paradise on Earth as shown in that gif.

[The Sick are being healed](#) by Grace-of-God health knowledge I was given by being spirit empowered to survive multiple cancers (2004, 2006) and other usually deadly afflictions, having released <http://www.prleap.com/pr/91843> on August 31 2007 and written about at length [many links here](#) (pdflistfor2008.htm).

This stated "the Sick are being healed" now includes healing this crude oil sickened planet with fluid-based, zero emissions circularly-replenishing engines I have [shown can be built](#), which engine systems were kept blinded to the world's scientific community but not from a JW Witness who Jehovah God knew would praise His Holy Name JHVH for having put in place all the Physics Laws prior to the "[In the Beginning](#)" Creation that made them running on "Physics Fuel" even possible.

**These are glorious pre-Armageddon days for all of us** who have taken steps to obtain God's favor => through deep heartfelt repentance followed by baptism to living a new way of life **as one of Jehovah's people, His Witnesses.**

These informations being released is the shower God promised was to come by early Hebrew Prophets and Jewish-born Christian prophets also. The love of God is being "flashed up" before all nations of Earth (Isaiah 58:8-11 quoted below), their peoples and Races invited to the feast of life about to start in the coming months or years. The window of opportunity to learn about Jehovah's Purpose and the outworking of His Plan is open now. **I do not know** how much time is left before Christ Jesus will exercise further power. The "separating work" of finding all his sheep is still being done with angelic assistance i.e. [Matthew 25:31-46](#), even also with my web pages, but mainly through [Watchtower Society](#) publications and free home Bible studies now available through local Kingdom Halls and even self-taught home studies online that link.

We are already living in his presence (Gr. parousia) since the Gentile Times ended in 1914 ([discussed here recently](#)) and that is why he has been revealing so much to me to help us all through the tough times we face that may get very much worse as they already have in Zimbabwe. Just as it says in Scripture at [2 Peter 3:9](#) => which reads "God does not want any to be destroyed but wants all people to have an opportunity to turn to him and change the way they think and act."

Many or even most of you reading this page are already baptized Witnesses or were once baptized but fell away as I did for decades, my Christian life and witness to others mostly banded down to a 40 years long complete stop, worn down by this discrimination-riddled cheating system and untreated health issues. It is time to come back home in your heart, [remember the love you once had for Jehovah's spiritual table](#) and [the bread he sent in Jesus to ransom us from inherited sin](#).

Isaiah 58:8-11: 8 "In that case your light would break forth just like the dawn; and speedily would recuperation spring up for you. And before you your righteousness would certainly walk; the very glory of Jehovah would be your rear guard. 9 In that case you would call, and Jehovah himself would answer; you would cry for help, and he would say, 'Here I am!' If you will remove from your midst the yoke bar, the poking out of the finger and the speaking of what is hurtful; and you will grant to the hungry one your own soul[ful desire], and you will satisfy the soul that is being afflicted, your light also will certainly flash up even in the darkness [of this [Satan-darkened world](#)], and [even] your gloom will be like [\[shine like\]](#) midday. 11 And Jehovah will be bound to lead you constantly and to satisfy your soul even in your scorched land, and [he will invigorate your very bones](#); and you must [become like a well-watered garden](#), and like the source of water the waters of which do not lie.
