Sequenced temperature oscillation sets up a contraction & expansion of the liquid inside body cells. This does NOT just "exercise the cells"; it induces a WORK LOAD on the heart, circulatory & lymph systems.

It is a STAMINA MACHINE PROCESS.

It's Basic Training without jumping jacks, Navy Seal training without the ocean, Jet Fighter training without the jet. In your Home!

Pumping up th' Jam, Man. Duly patented & copyrighted on April 11, 2006, released worldwide for all to use.

Gain muscle, recover from heart surgery.

Gain muscle lose the fat. Get ready for Outer Space & excel in the Office Space.

Let the schoolkids use it, watch the test scores reflect it.

Pumping up th' Jam, Man, Woman, Children & the PET TURTLE.

Are YOU ready? Oh, no electricity in Space? Click here <> I know different.
